

SALUTE ELKS . . . Ralph E. Pierson (left) of San Pedro and Berton J. Misner (center) of Torrance accept plaques for their 60 years of membership in the Elks from R. W. (Duke) Decker, program chairman for the San Pedro Elks Lodge 966. Pierson and Misner were honored during the lodge's "Old Timers" night last week.

Fleming Students Name Officers for Semester

All students have elected their class officers at Fleming Junior High School. These officers will serve until June 20, graduation day. Elected president was Mike McIntyre; vice president is Lorraine Gonzales; secretary is Melinda Collins; and treasurer is Lynn Holly.

Committees to plan various graduation activities also have been chosen. DeSheila Brown is chairman of the theme and graduation committee. This committee is in charge of the speakers for graduation, getting the graduation program printed and choosing several themes for the class to decide upon.

In charge of the party committee is Lorraine Gonzales. She will have to help make the plans for games, dancing, election of king and queen and, of course, refreshments.

Lynn Holly will head the finance committee. It is their job to decide how much of the dues should be spent for each purchase, including class pins, a gift to the school and party needs.

The gift committee is chaired by Karen Ginter. They will be in charge of finding suitable gift choices for the class to give as a remembrance.

Melinda Collins is in charge of the Color Day Committee. This is one of the highlights of the 9th because it is the time when they receive their class pins and colors. This committee is responsible for getting all the color ideas from the students, putting them together and counting the votes after they have reached a decision.

Patrick Cragin is the faculty advisor to the graduating class and will be working closely with them in the many coming activities.

County Gets Federal Aid

Capital News Service
SCARAMENTO — Los Angeles County will receive \$591,899 in state and federal aid for secondary roads beginning July 1, according to James A. Moe, state director of public works.

Counties throughout the state will receive a total of \$15.5 million, Moe said.

Taxpayers Ask IRS Surcharge May Affect Estimate

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Can I use 1968 income and expense figures to make a declaration of estimated tax for 1969?

Yes, this is one method that can be used. Should there be a change in these figures during the year then an adjustment can be made at the time an installment is paid.

One change that has to be made when last year's figures are used concerns the surcharge. The rate for the surcharge was 7.5 per cent for 1968 but since the surcharge is due to end June 30, the rate that should be used for 1969 declarations is 5 per cent.

If you received a preaddressed package of estimated tax forms in the mail be sure to use them when you file. It will help assure proper crediting of your payments.

When you itemize medical deductions do you add all of your medical insurance premiums to your other medical expenses?

No. One-half of the premiums paid for medical insurance up to a maximum of \$150 is deductible without regard to the 3 per cent limitation on medical expenses. The balance is added to your other medical expenses. This means you may be able to deduct as much as \$150 even though your other medical expenses were not great enough last year to qualify for a deduction.

Do you have to pay self-employment tax on income from a part-time business if Social Security tax has been taken out of your regular wages?

If Social Security taxes have been withheld on \$7,800 of wages, then you will not have to pay self-employment tax on your other income. If Social Security taxes were withheld on wages less than \$7,800 then you may be liable for self-employment tax.

The maximum income on which Social Security and/or self-employment tax has to be paid is \$7,800. For additional information send a post card to your District office requesting a free copy of IRS Publication 533, Information on Self-Employment Tax.

I have several W-2 forms. Should I send them all in with my return or can I just add them up and give you the totals?

All Forms W-2 received should accompany the tax return. Missing W-2 Forms were a major reason for delays in processing returns and refunds last year.

What form do I need to report capital gains?

Use Schedule D, Form 1040, to report gains and losses from the sale or exchange of property. A copy may be obtained from your local IRS office as well as from any banks and post offices.

I have a company expense account. Do I report this on my return?

This should be noted by checking the box at the bottom of Page 2 of Form 1040. If you account to your employer for these expenses and your reimbursement matches these expenses, then there is nothing further to report.

However, if your reimbursement exceeds your expenses, then the excess should be reported as income. If your expenses were greater than your reimbursement then you report the reimbursement and deduct the expenses.
